

Galaxy of Diamanda Galas, Priestess of Sound: ~Feel the word from the inside out~

Mayhem 31, 2000 from 8pm - 2am

Hosted by: Pillar of Salt, Angel D. Monique and Solomon Grundy

Explore the past, present and ponder the future of Diamanda Galas. Descend into her self-sacrificing depths of madness. Transcend the pain. Behold the bare truth channeling through her voice, spirit and flesh. Discuss her message on the realities of AIDS in this country. The labyrinth meanders through collaborations, film soundtrack projects, live manifestations and a very special personal interview.
